## Strathian Farm, Elgin

Exclusively mandated- Strathian Farm has three title deeds and is a highly productive unit planted to 24 hectares of apples and 3,8 hectares of pears. 38 % of trees were planted from 2012 to 2021.

138 000 m<sup>3</sup> water is supplied to the farm from the Groenland Irrigation Board and a further 972 200 m<sup>3</sup> surface water is registered. Two balancing dams allow for gravity irrigation.

The beautiful main homestead has four bedrooms, four bathrooms, kitchen, dining room, lounge and a large sunroom. The sunroom opens onto the pool area and jacuzzi, and lush rolling lawns lead to the dam. Also part of the homestead is a playroom and double garage.

Separate, but adjacent to to the homestead is a four bedroom cottage and the farm office.
